**Webble™ :: Active Footrest**  
Because legs are meant to move

INTERIOR  
DESIGN  
**BEST  
OF  
YEAR** WINNER

Imagine a footrest that moves the way you do. A footrest that supports your legs while inviting free motion and activity. Imagine a footrest that is not only ergonomic but also stylish and fun. A footrest that redefines what it means to be a footrest. Imagine no more.

- Durable, breathable mesh surface supports feet with or without shoes
- Spring suspension keeps your friends from riding away with your legs' new best friend
- Ring of foam offers the ultimate in comfort and flexibility
- Smooth gliding casters enable free motion and activity
- Iconic design: proof that ergonomic can also be stylish and fun
