built-in
slot design
polished chrome or brushed nickel

■ drain

soft toe touch
polished chrome or brushed nickel

■ faucet area recommended

wall-mounted or floor-mounted

■ option :

columns for wall or
deck-mounted faucets
(refer to the Column collection)

Bathtub installation supplies

A tile flange will be supplied to comply with the requested position. Installed at the factory to prevent water leakage, this must be placed directly on the partition framing prior to the installation of drywall.

Plumbing installation restriction

BC 0401, freestanding bathtub requires a vertical plumbing connection rising from the floor. A horizontal connection is not an option.

WETSTYLE cannot be held responsible for any technical errors and reserves the right to make revisions without notice.
